**Last Month Minutes:**

**Reports:**

**SCRIP** – See Report. Net profit \$612.53. We are on track from past years in earnings. Christmas season is coming and that is the time we traditionally make a significant portion of our profits. Please sign up for SCRIP sales after mass on November 12/13, and December 10/11.

**Treasurer** – H&S Balance is \$8,204.48

**Budget** – As budget stands there is a planned \$1,000 surplus, it was decided to let it work itself out and not designate the amount to anything. H&S is brainstorming about how to save for other school needs (e.g., playground equipment). Ideas will be brought to School Committee once a plan has been initiated. Technology fund is helping to pay Accelerated Reading and Accelerated Math dues.
