FYI’S

Western Middle School Registration: If your child is attending WMS in the fall you need to pick up a registration form at the middle school office.

Yard Signs: We would like to encourage all school families to take home an A.A.C.S. yard sign and place the sign in a high traffic, visible area. From the Principal's Desk:

Teach-er \ 'te-ch er\ n: one that teaches; : one whose occupation is to instruct.

This is the Webster's School Dictionary's definition of a teacher. Boy, they sure minimized this definition. They forgot the intricate details of what makes a great teacher. One that . . . cares
stays up late gets up early goes to extra activities
purchases materials for the classroom bakes cookies brings in snacks
is an example of good morals listens gives students new experiences
lets students experiment lets students learn from their mistakes models responsibility
gives comfort when needed individualize gives choices
uses different methods to teach. . . . the list goes on and on.

One of the most important tasks for a teacher is to encourage students to be the best they can be. Auburn Area Catholic School is very fortunate to have such a great staff. I hope the teachers know how thankful we are to have them, especially during Teacher Appreciation Week, May 3rd to May 7th.

. One of my favorite bumper stickers is: "If you can read this . . . Thank a teacher"

Respectfully,
Terri Duch
