JANUARY 2024

SERVING GOD BY SERVING COMMUNITY

Our students continue to participate in monthly Service Projects including decorating Christmas cookies and making treats to include in food pantry baskets. Both groups had a combined contibuted over 46 plates of goodies for families! This month, we will be making fleece tie blankets for youth at the Juvenile Detention Center. These projects reinforce our discussions of serving God as we serve others in our community and beyond.

STUDENT SECTION

All About Sharing – Our discussions continue to focus on breaking apart the Gospels and how they apply to us. This month’s discussions will surround the Holy Family, following our “star”, embarking on unknown journeys thanks to our faith, and having what it takes to do things. Pst.....it’s all about WHO you know!

This month, we pray for our high school students as they prepare for exams.

We also pray for the March of Life movement to be held in Washington DC January 19th, all those participating in this event, and all the mothers and unborn babies impacted every day. Heavenly Father, hear our prayers. Amen.
